This is not imaginary; it is reality. Around the world, 42 million children lose their lives to abortion every year.²

LIFE International has been raised up to respond to the global mission field created by abortion. We are called to multiply healthy life-giving ministries wherever abortion exists around the world.

We are pro-life and pro-Jesus. It is our conviction that the greatest pro-life act in the history of mankind occurred when God sent His only Son to die on the cross for us.

Our primary purpose is to see people come to new life in Christ and to see preborn children saved from abortion.

You can make a difference. To learn how you can be part of God's global movement for life, visit us online at www.lifeinternational.com.
