Dearly Beloved Prayer Partners

Though one may be overpowered, two can defend themselves. A cord of three strands is not quickly broken. —ECCLESIASTES 4:12

I am especially thankful to God for your prayer partnership. I feel so happy knowing that people all over the world are praying for me and The Comforter's Center.

By God's Spirit, our impact as a life-giving ministry is continually being felt by hundreds in Uganda whose lives are affected because of their contact with The Comforter's Center.

You may not be able to fully comprehend what your prayers and partnership have done, but one thing is certain: one day, the LORD Jesus Christ will say to you, "Well done, thou good and faithful servant."

God bless you.
