## **Volunteer Application Instructions**

1. Familiarize yourself with LIFE International by reading the *About Us* section of the website. Please read each section thoroughly to insure that you agree with LIFE International's vision, mission, and statement of faith.
2. Familiarize yourself with LIFE's volunteer program by completely reading the volunteer information to be sure that you are qualified to volunteer and that you understand the program.
3. Complete the Volunteer Application Form.
4. Submit a photo, the application, and a copy of your passport to LIFE International by postal mail, fax, or email.
5. Contact two references; ask them to complete and submit reference forms by postal mail, fax, or email. These should be completed by adults, but not relatives, who know you well.

After your application, photo, and references have been received, LIFE staff will review your application and may contact you for a telephone interview to determine whether you are a candidate for international travel.

*If at any point in the application process you have questions or would like more information, please feel free to contact the LIFE International office at the information listed above.*
