Greetings

Hello everybody, my name is Andrei Stanciu and I am the new Manager of Clinica ProVita in Bucharest. I am very happy to be here and be involved in this ministry where God had made so many miracles in the past. I have many things to learn.

In the last two weeks, among other meetings, talking with doctors, I spoke with the volunteers that were involved in this ministry. Volunteers are very important in our ministry, so I was very pleased to meet them, to know their work, involvement and motivation. I found out that God had made many miracles here, in the last years, many babies were saved and many mother received Jesus as their personal Savior. The volunteers here have decided to put their trust in the Lord and not on any man. I remembered then what God says in Jeremiah 17:7 "But blessed is the man who trusts in the LORD, whose confidence is in him."

I know that this ministry doesn't belong to me, nor to any other man, but to God. Please pray for us and this new beginning. And also, please pray for me, for guidance and vision regarding this ministry.
