

YOU CAN GET INVOLVED.

At LIFE International, we are looking for people to be so much more than supporters on the sidelines. We are looking for people who are willing to see what is really happening in the world, who are open to hear the truth, and who are ready to respond and make a difference for life.

We work to equip, empower, and release people all around the world for life-giving ministry. We hope that you will allow us to equip, empower, and release you too. Let's partner together to multiply healthy, Christ-centered, life-giving ministries wherever abortion exists around the world.

PRAY

We believe that the most powerful way to effect real change in our world is to begin on our knees in a personal dialogue with God. Here are three opportunities to join us in prayer:

- a. Become our **prayer partner** and receive monthly praises and prayer requests,
- b. Serve on a **"special assignment" team** to pray for one of our strategic ministry trips, or
- c. Sign up to **pray during a specific monthly time-slot** for prayer requests from life-giving ministries.

INVEST

Every gift given to LIFE makes a difference. Lives are being saved, physically and spiritually, and nations are being transformed as a result. Invest in our mission and make a real difference for life-giving ministries overseas.

ENGAGE

Each one of us can make a difference for life, both within our own spheres of influence, and by coming alongside those upholding life around the world. You can help to expand our reach by sharing about the global mission field created by abortion and about LIFE's mission. We invite you to explore our website and facebook page to become more informed about life issues around the world and to read stories of lives being impacted worldwide. Then creatively consider how you can engage in and spread the word about this mission.

- a. Become a fan of LIFE International on **Facebook** and help us raise awareness about the global issue of abortion and about LIFE's mission by posting links to your profile, adding LIFE graphics to your profile, and suggesting your friends do the same.
- b. Speak out. Taking a speech class? Write a speech about abortion as a global justice issue. Ask if you can share about life issues with your church or youth group. Share this message with your family and friends. Always speak the truth and always speak in love.
- c. You can request our **bookmarks**, free of charge, to hand out to a few friends or your whole church.
- d. Be ready to respond to someone you encounter in an unplanned pregnancy or who may be in need of healing after an abortion. Use this **resource** to get connected to a local pregnancy care center.
