MINISTRY OVERVIEW

MAKING A difference

At LIFE International, we are anchored by a clear purpose and unwavering commitment to bring the inseparable message of the gospel and the sanctity of human life to the world through the mission field created by abortion.

Our vision, mission, and purpose guide every step we take as we partner with global Christian leaders who are empowered to respond to the devaluation of human life in their communities.

As a result, preborn children are given life, image bearers are valued, men and women find healing after abortion, and people embrace the hope of eternal life in Jesus Christ.

Dear Friends,

We are continually amazed by the unity and growth God is fostering among the leaders we are privileged to work with around the globe. Their faithfulness and passion ignite the movement we are witnessing flourish like never before. Through the courage and conviction of these leaders, we witness the Holy Spirit renewing hearts, advancing the gospel, saving lives, and helping people recognize the value of all who bear the image of God.

This faith-fueled work cannot continue without your partnership as God providentially aligns all necessary pieces to accomplish His purposes. Your prayers and financial support are essential for LIFE to continue spreading the gospel in the mission field created by abortion. Together, we can advance this sacred calling and proclaim the Father's heart for life.

Now, more than ever, your gift will help fan the flames ignited in the hearts of individuals and communities worldwide. Kingdom work is an extraordinary collaboration between humanity and the Divine, in which God actively shapes and utilizes each individual for our good and His

glory. Together, let us embrace our role in this divine partnership, knowing that each contribution will transform lives physically and spiritually.

In Christ.

HOW WE DO IT

Identifying, training, discipling, and supporting Christian leaders across the globe is our primary calling to create a movement that is prayer led, Holy Spirit empowered, and gospel focused.

This reflects the Great Commission in Matthew 28:19-20 and John 10:10:

"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them all I have commanded you. And behold, I am with you always, to the end of the age."

"...I have come that they may have life, and have it to the full."

Trust in the Lord is fundamental to the Christian life. However, as fallible human beings, it can be one of the most challenging virtues to maintain. As we navigate the tension between growth and resources, we are consistently reminded to turn to the One who knows our every need. Ultimately, by remembering this is His mission and movement, we can find peace and strength, knowing that He will provide every step of the way.

Unity is a gift and a spiritual byproduct of the Holy Spirit, which is why we continue to see growing numbers of leaders passionately engaging in this movement. By intentionally setting aside time for communion with the Spirit through prayer and biblical teaching, we experience the blessing of supernatural unity. Together, we draw the strength of unity, fostering a movement grounded in the Father's love for every individual made in His image.

LIVES transformed through the Journey of a Life-Giver Training

At LIFE International, we are deeply blessed to witness how God moves through His people to save lives and transform hearts. One such story comes from Nairobi, Kenya, where Patrick Wambua, our Hub Prayer Coordinator for Sub-Saharan Africa, disciples others to embrace and share the Father's heart for life.

Through the Holy Spirit's work in his heart and the theological and biological training he has received in partnership with LIFE, Patrick was equipped to teach others about the sanctity of life. As he shared this message at his church, one listener, Dr. Derrick, was deeply convicted. A medical professional, Dr. Derrick had previously provided abortion medication. But as he grappled with the truth about God's design for life, he faced a defining moment.

The Holy Spirit compelled Dr. Derrick to make a bold, life-changing decision—he would no longer participate in abortion. Instead, he chose to become an advocate for life. This decision carried significant personal and professional risks, but he chose to trust God. With Patrick's ongoing guidance, he found the strength to stand firm in his convictions and discovered a renewed purpose in his work.

Then, during one of our recent Journey of a Life-Giver trainings, Patrick received an urgent message from Dr. Derrick:

66 Please call me when you can. I have to speak with you about an abortion-minded woman I am meeting with. 99

During a break, Patrick returned the call, offering wisdom and encouragement. But this was more than just a conversation—it was a divine appointment. God was working in Dr. Derrick's heart and in the heart of the woman he was counseling. Strengthened by truth and compassion, Dr. Derrick guided her from fear to hope.

When the training resumed, Patrick had incredible news-the woman had chosen life for her baby!

Since committing to life-affirming counseling, Dr. Derrick has helped at least six women choose life, each time witnessing the power of hope and truth overcoming fear.

Through God's work in this ministry, lives are being saved. Babies who were once at risk of abortion are alive today.

Your support makes this possible.

Through LIFE International's training, leaders like Patrick are empowered to disciple others and spread God's heart for life. With every trained leader, every courageous conversation, and every mother who chooses life, we see God's Kingdom advancingone precious life at a time.
